

LABOR-STUDENT COALITION PROTEST MARCH & NOISE BARRAGE

**TUESDAY, OCTOBER 17
12PM - 1PM**

- Fight the unnecessary 34% student tuition hike!
- Fight the mismanagement of the CSU that shifts funding away from classrooms, labs, libraries, athletics, and counseling centers!
- Fight the misguided priorities by the CSU management that gives top administrators up to 29% increases, but denies faculty and staff better working conditions and reasonable increases!

12:00 - Meet at the grassy area near Lobo's.

12:15 - Honk your horns, bang your drums, scream and make noise wherever you are on campus to protest the CSU management's egregious actions.

12:16 - Start of protest march
